Disclaimer:

Your eligibility and student fee may be invalid if any of the information you have provided to your training provider is found to be inaccurate or misleading upon checking. Your eligibility and fee amount cannot be confirmed until all validations are undertaken by the Department of Education. This may not be until after you have commenced training and your data has been submitted to the Department by your training provider. If your eligibility status and/or student fee changes as a result of these validations, you will be advised by your training provider immediately of any necessary next steps.
